

SCA 2022 National Specialty Committee

November 1, 2021

Hello Everyone

I know you are all looking forward to the 2022 SCA National Specialty week which is being held at the Robert's Convention Centre in Wilmington, OH, April 19th – 22nd. And I'm sure you are wondering what is happening.

Planning is underway for 2022. We will be moving full steam ahead in the weeks to come. We have waited until now to reach out to you so that we wouldn't be interfering with, or confusing anyone (including the AKC) in terms of which of the three Specialties to be held within 12 months time was being referenced. We also know the time and financial demands any one Specialty places on its members. Moving forward we want to keep you informed and get you participating in the one and only 2022 National. The 2022 National committee is hoping that all of you are now rested from the successful 2020 & 2021 SCA Nationals and are ready for the next big Schipperke event.

The Southern Michigan Schipperke Club will be holding a Regional Specialty on Monday April 18th at the same venue, followed by the SCA National week of events. The initial planning has been accomplished but there are many jobs left to do and we need volunteers. We want to ensure that anyone volunteering feels comfortable taking on a position they are interested in and confident that they are not working alone. We also don't want anyone unnecessarily missing out on fun at the Specialty due to jobs they take on in order to make the fun happen. Together with strategic planning we can avoid that issue, make the work lighter and still enjoy the results.

Attached is a list of volunteer positions needing to be filled. Please contact Marnie Layng (mLAYNG@bell.net) if you are interested in filling a position, or want more information about what is required for any job. Also attached is our trophy sponsor sheet. Our goal is to have all the trophies and ribbons sponsored. SCA members have a long history of generosity and club spirit. We hope that will continue!

We're looking forward to hearing from all of you soon. And you will definitely be hearing from your 2022 Show Committee.

Sincerely,

Marnie Layng, SCA 2022 National Specialty Chair – mLAYNG@bell.net

Jamie Stanchina, SCA 2022 National Specialty Co-chair, SMSC Specialty Chair – embraceskips@gmail.com
